WEIGHTED HARDY’S INEQUALITIES FOR NEGATIVE INDICES

Dmitry V. Prokhorov

Abstract

In the paper we obtain a precise characterization of Hardy type inequalities with weights for the negative indices and the indices between 0 and 1 and establish a duality between these cases.

2000 Mathematics Subject Classification. 26D15, 26D10.
Key words. Hardy’s inequality, weight function, negative indices, duality.
