

Post scriptum:

My colleague Julià Cufi has brought to my attention that a version of theorem 1.1 already appears in the paper “On functions of rectangles and their application to analytic functions”, by S. Saks and A. Zygmund, appeared in Annali della Scuola Normale Superiore de Pisa, Classe di Scienze 2e série, tome 3, n^o 1(1934), p.27-32.
